#3: When Does Paid Training Begin?

#4: What Will it Cost Me?

Maverick's **Student Training Program** pays **\$750 per week** and this begins after you accept your job offer upon completion of CDL School.

Maverick's **CDL Training Program** consists of signing a tuition loan agreement of **\$8,000**. This will cover your tuition, housing, meals, tablet and additional equipment while in the program. You will have **15 days** after starting the Maverick Sponsorship program to **withdraw** without owing the full \$8,000. If you **leave prior** to the completion of the 8th day you will only owe \$1,000. You will be responsible to **reimburse Maverick the \$1,000** to cover Maverick's expenses incurred for travel, meals, housing and any necessary equipment thus far.

When repaying Maverick for the loan, you will be responsible for paying **\$40 a week for 85 weeks**. After this, you would have paid Maverick back a total of **\$3,400**. At this point, you have paid in all you will be required to pay. Maverick will continue to forgive \$40 a week through 115 weeks.

Keep in mind, this **contract is for 115 weeks or 27 months**. Should your employment with Maverick end before you complete your contract, you will owe Maverick the remaining balance.
